About Us

Ambulance Wish Singapore is a registered charity incorporated in May 2019 and an Institution of Public Character (IPC) that supports terminally ill patients and their loved ones through the simple yet deeply meaningful act of wish-granting.

By serving patients with a limited prognosis of less than 12 months, Ambulance Wish Singapore aims to transform the end-of-life experience by bringing moments of joy, peace and comfort to patients and their loved ones.

As a volunteer-enabled organisation, our work extends care beyond hospitals and hospices into homes and hearts across the community.

Our work is rooted in our motto, "Fulfilling Wishes, Celebrating Lives".

Mission

To create positive end-of-life experiences for terminally ill patients through the fulfilment of their final wishes.

Vision

To transform the end-of-life experience of terminally ill patients and their loved ones, beyond basic palliative care services.

Main Objects:

To give each patient with life-limiting illness the attention that he/she desires by realising such patient's last wish before dying.

To add quality to the patient's final period of life.

To bring communities together to care for the dying.

Our Overview

Ambulance Wish (Singapore) Ltd. ("Ambulance Wish Singapore") was incorporated as a company limited by guarantee on 24 May 2019 and registered as a Charity under the Charities Act (Chapter 37) since 2 March 2020.

Ambulance Wish Singapore has been accorded Institution of a Public Character (IPC) status since 17 October 2023, with its last renewal approved from 17 October 2024 to 31 October 2026.

Ambulance Wish Singapore has a Constitution as its governing instrument.

Chairman's Message

2025 has altogether been a year of growth for Ambulance Wish Singapore. Over the last six years, I am happy to witness Ambulance Wish Singapore's growth into a structured and resilient organisation.

To fulfil the wishes of terminally ill patients may seem like such a simple gesture, but behind every fulfilled wish is a collective effort - deliberate and often unseen - ensuring that each experience is carried out safely and meaningfully. The team at Ambulance Wish Singapore has continued to refine our processes and deepen our partnerships. Most importantly, the organisation continues to build a community of volunteers and supporters who share a common commitment that no wish is too small, and no moment too insignificant to matter.

Growth, for us, is reflected in the trust placed in us by the patients, their loved ones, our healthcare partners, and donors. It is evident in the professionalism of our volunteers, and in our ability to uphold the standards we have set for ourselves.

As Chairman, I am mindful that progress must be matched with responsibility. We remain committed to strengthening our governance, maintaining accountability, and acting with compassion and integrity.

I extend my sincere appreciation to our volunteers, donors, partners, and supporters. Your contributions, whether of time, resources, or expertise, make our work possible.

In June 2025, we bade farewell to two Board members, Mr Kwek Kon Yew and Mr Choo Chek Siew. On behalf of the Board of Directors, I would also like to thank them for their years of service and generosity towards Ambulance Wish Singapore.

Six years on, we are stronger and better equipped to serve. Yet, we remain guided by the same principle that defined us at the beginning, which is to honour each wish with care and respect.

Aloysius Wee

Chairman, Board of Directors
Ambulance Wish (Singapore) Limited

Executive Director's Message

This year, life felt both more fragile and more precious for me. In February, I gave birth to my baby girl. As I celebrate and care for the new life in my arms, I cannot help but think of the families we serve who are saying goodbye to their loved ones. I believe that in essence, birth and death are not opposites. The circle of life turns constantly, with birth and death woven into our everyday lives.

As Chairman Aloysius Wee noted, 2025 was a year of growth. On the wish granting front, we saw growth through the increase in the number of wish referrals and wishes fulfilled. Among the 190 wishes we fulfilled, one stands out not just for its scale, but the depth of collaboration it required. Mr Pow Jun Yang's wish was our largest and most complex wish to date. Mr Pow, a young man with a spirit far larger than his terminal diagnosis, dreamed of an experience that would bring together his loved ones in a celebration of life. Fulfilling his wish demanded coordination between multiple agencies and our dedicated group of volunteers who put in their hearts to make it happen. Mr Pow's wish aptly embodies the theme of this year's Annual Report, "Many Hearts, One Strength", and I am deeply grateful to everyone who has supported us in fulfilling all 190 wishes this year.

On the operations front, we grew our internal capabilities. We were finally able to fill our core functions with full-time staff and I appreciate working alongside such committed and diligent colleagues. We also focused on volunteer engagement, especially since our volunteers make up the many hearts that form the strength of Ambulance Wish Singapore.

I thank the many hearts of my colleagues, our volunteers, donors and partners for giving us the strength to grow in 2025. As birth, living and saying goodbye are all part of the same journey, we hope to continue to honour this circle of life. Thank you for holding space to celebrate lives while fulfilling final wishes with dignity and love.

Financial Summary

The financial highlights below have been extracted from the audited financial statements for the financial year ended 31 December 2025.

Wish Granting Highlights

Ambulance Wish Singapore fulfilled **190 wishes**, impacting about **4,664 individuals** in 2025.

Each wish is personalised to the patients' likes, interests and wants. Ambulance Wish Singapore covers all aspects of the wish planning and execution, including food and beverage, transport, decor, photography, and on-site medical support, where necessary.

Beyond the fulfillment of the wish, Ambulance Wish Singapore helps families create moments of closure, connection, and celebration during a challenging period for terminally ill individuals and their loved ones.

Top Wishes Fulfilled

Our Growth Over the Years

Ambulance Wish Singapore has seen an increase in both the number of patients referred to us, and wishes fulfilled. Due to the short prognoses of the patients, quite a number of them pass on, or their conditions deteriorate, before their wishes are fulfilled. We continue to work closely with our referring partners to refer the patients to us as early as possible so that the wishes can be fulfilled more meaningfully.

Wish Stories

A Wish in Full Bloom

Mdm Nuriyati's wish, inspired by her love for flowers, led her to visit Gardens by the Bay with her family and friends, making it a four-generation outing. The 60-year-old was welcomed and surrounded by her loved ones as she enjoyed the floral displays. Her grandparents even teased her about stopping at each flower bed for photos.

A family photoshoot was also arranged to capture these moments, including a meaningful gesture where Mdm Nuriyati presented fresh bouquets to her mother and grandmother, acknowledging their importance in the family. The outing was filled with hugs, prayer and happy tears.

The day ended at home with a simple celebration, featuring her favourite fruit, durians.

Mdm Nuriyati's son, Mr Izzat, shared that his mom's smiling face was the highlight of the day.

Wish Fact File

Ambulance Wish Singapore fulfilled **56 wishes** for outings in 2025. **Gardens By The Bay** was the top requested attraction, followed by the **Singapore Zoo**.

A Man and His Best Friend

Mr Cheng Kheng Ngan's wish centred on the bond he shared with his beloved dog, Bruno. Faced with a difficult prognosis and deteriorating condition, the 69-year-old made the heartbreaking decision to rehome Bruno in a dog shelter in late 2024.

Mr Cheng's wish reunited him with Bruno for a meaningful photoshoot and time together. Despite months of separation, Bruno displayed deep affection and emotional attachment towards Mr Cheng. This reflects the powerful affirmation of friendship and companionship between dogs and humans.

During the photoshoot, the volunteers had thoughtfully arranged for Mr Cheng and Bruno to wear matching t-shirts. Their endeavours did not stop on Wish Day as they continued to facilitate more visits between Mr Cheng and Bruno in the months to come.

This experience offered Mr Cheng comfort, closure, and a chance to celebrate a connection that had been a significant source of joy.

CANVAS OF MEMORIES

JUNYANG POW

Presented by Ambulance Wish SG, this exhibition showcases the inspiring works of 31-year-old artist JunYang Pow, whose battle with Urachal cancer has profoundly shaped his creative journey. Celebrating his resilience and passion, JunYang's vibrant, locally inspired artworks reflect his introspective approach to life.

All proceeds from the exhibition will support local non-profit, Art Outreach Singapore. Join us in honoring his strength and artistry.

**“My exhibition is like a living funeral.
It’s like my last ditch in life.”**

– Mr Pow Jun Yang

Canvas of Memories

Mr Pow Jun Yang, a 31-year old graphic designer who was battling a rare and aggressive form of cancer, had always dreamed of organising his own art exhibition. When his siblings and friend reached out to Ambulance Wish Singapore to help fulfil his wish, we were very mindful of his short prognosis and deteriorating condition.

The solo art exhibition, titled “Canvas of Memories - JunYang Pow”, was held at Suntec City from 3 to 5 January 2025. It featured 56 pieces of his artwork, including intricate digital illustrations and photographs inspired by his travels. A small reception was also held for his family and friends, à la a living funeral.

The event drew the support of distinguished guests, including Her Excellency Ms Anneke Adema, Ambassador of the Kingdom of the Netherlands to Singapore and Brunei, who served as the Guest-of-Honour, as well as President Tharman Shanmugaratnam and Ms Jane Ittogi, who attended to honour Mr Pow’s remarkable journey. Their presence underscored the significance of the event and the community’s collective support in making dreams a reality.

Mr Pow also wanted to raise funds in support of an art-related charity. His artwork was transformed into merchandise such as T-shirts, mugs and prints. Through the sale of the merchandise, \$50,000 was raised and donated to Art Outreach. The funds were used to set up the JYP Creative Legacy Fund to support fellow young artists.

Felt, Not Seen

Mdm Annie Sandanam's wish was to create a family portrait with her three daughters. Despite living without sight, the 56-year-old mother was described as someone who "smiles with her eyes", and her request reflected a desire to preserve a tangible memory of the strong bond she shares with her children. The photoshoot was set to take place at Chinese Garden, against the diverse greenery and cultural landmarks.

Despite the hot weather that day, everyone was in high spirits. With their hair and make up done and as Mdm Annie's vision was brought to life, an incredible bond was witnessed, one of strength and unwavering love between Mdm Annie and her daughters.

The power of this moment reminded everyone that sometimes, the most powerful memories are felt, not seen. The love shared by the family was palpable, transcending sight to create a perfect, enduring portrait.

Engaging Our Referring Partners

In 2025, Ambulance Wish Singapore actively engaged healthcare partners through a series of sharing sessions to strengthen collaboration, knowledge exchange, and referral pathways. These engagements included organisations such as Singapore General Hospital, The Compassionate Network, St Andrew's Nursing Home (Henderson), and OncoCare Cancer Centre reflecting a broad and sustained outreach across the care ecosystem. Collectively, these partnerships strengthened Ambulance Wish Singapore's referral network and enabled more beneficiaries to be identified and supported in a timely and meaningful manner.

Our Volunteers

Ambulance Wish Singapore trained **160 new volunteers** across three training sessions and a total of **211 volunteers were deployed** in 2025. As our programme expands, so do our volunteer needs. Hence, a lot of focus was placed on volunteer training and engagement this year.

 **Wish Fact File**
The highest number of wishes supported by a single volunteer in 2025 was **31 wishes by Ms Genevieve Lee**. Each volunteer supported an **average of 3 wishes**. We thank all our volunteers for their love!

Volunteer Training

Training our volunteers is a structured process designed to prepare them for the emotional, logistical, and interpersonal demands of wish fulfilment. Volunteers are equipped with clear protocols, role-specific guidance, and practical skills to support beneficiaries and their families with professionalism and sensitivity.

Volunteer Engagement

Ambulance Wish Singapore strengthened its volunteer community through a series of activities, which provided opportunities for volunteers and staff to connect beyond operational duties, while reinforcing a shared sense of purpose.

Some of these activities include a special screening of **F1: The Movie**, hosted by **Ms Chang Sook Mei** in celebration of her 60th birthday, concerts by **The TENG Company** and the **Singapore Symphony Orchestra (SSO)**, charity bowl by **Shell Network of Women (NOW)**, and sharing session by **The Life Celebrant**, which provided insights into end-of-life celebrations and remembrance. Ambulance Wish Singapore would like to thank these community partners for their support in allowing us to recognise our volunteers, strengthen team cohesion, and provide meaningful touchpoints that align with our mission of delivering compassionate end-of-life experiences.

Volunteer of the Month

2025 was also the year Ambulance Wish Singapore introduced the “Volunteer of the Month” feature across our social media platforms to recognise individuals who go above and beyond in serving our beneficiaries.

Beyond recognition, the feature also plays an important role in strengthening our volunteer community and inspiring others to get involved. By showcasing real experiences and the meaningful impact volunteers can make, we hope to encourage more individuals to step forward and be part of our mission.

Volunteer Appreciation

On 5 December 2025, Ambulance Wish Singapore hosted our annual **Volunteers & Partners Appreciation Dinner**, a meaningful evening dedicated to recognising the dedication and contributions of its volunteer community. The event featured thoughtful elements such as handmade crochet butterflies by Lala Crochet volunteers, the fourth edition of Ambulance Wish Singapore volunteer T-shirts designed in collaboration with Singapore American School (SAS) students, and a “Garden of Reflection” where volunteers shared personal reflections from the past year.

Highlights included a violin performance by volunteer Ms Wong Sher Maine, a keynote speech by Ms Angjolie Mei, Founder of The Life Celebrant, and a sharing session by Senior Principal Medical Social Worker Ms Wu Pei Fen. The evening also marked a milestone for Ambulance Wish Singapore, as it was the first time volunteer milestone awards were presented, celebrating years of service and commitment.

Our Fundraising Events

Ambulance Wish Singapore raised a total of **\$822,525** through several fundraising initiatives in 2025.

Charity Draw

From 14 May to 20 June 2025, Ambulance Wish Singapore sold Charity Draw tickets, with support from Singapore Pools, to raise funds in support of its mission to fulfil the final wishes of beneficiaries. The inaugural Charity Draw was conducted at our office in the presence of an auditor on 25 June 2025.

Ramay-Ramay: A Peranakan-themed Charity Dinner

Held at Raffles Singapore on 19 November 2025, the event was designed around the concept of *ramay-ramay*, meaning *together*. It featured a specially curated menu and violin performance by private dining chef, Cultural Medallion for Music awardee and founding member of the SSO, Ms Lynnette Seah.

Guest-of-Honour Mr Eric Chua, Senior Parliamentary Secretary for the Ministry of Law and Ministry of Social and Family Development, and special guests Her Excellency Ms Anneke Adema, Ambassador of the Kingdom of the Netherlands to Singapore, and Member of Parliament Mr Cai Yinzhou, added prestige to the evening.

The event also featured a charity auction, raffle draw, and entertainment by Peranakan Sayang.

Partnership Events

Fairmont Singapore x Ambulance Wish Singapore

Ambulance Wish Singapore deepened our collaboration with Fairmont Singapore through a series of purpose-driven initiatives that combined community engagement with fundraising for its wish-granting mission. These initiatives include a limited-edition charity gift box for the Mid-Autumn season, an art auction in as part of the afternoon tea experience, *Flavours of Singapore: Through the Art of Yip Yew Chong*, as well as the Wish Upon A Christmas 2025 campaign. We thank Fairmont Singapore for the partnership and their dedication to support us in curating meaningful experiences for terminally ill patients.

Our Year Ahead

Ambulance Wish Singapore remains deeply committed to create positive end-of-life experiences for terminally ill patients through the fulfilment of their final wishes. Moving forward, our focus can be categorised into three main pillars:

Honouring Wishes

We aim to fulfil at least 260 wishes in 2026, a 37% increase from 2025. In honouring wishes, we also hope to deepen our impact in end-of-life care.

Empowering Volunteers

We will strengthen our volunteer engagement framework to enhance the synergy of our volunteer force and improve volunteer satisfaction.

Uniting Communities

Whether it is with our volunteers, partners, donors or beneficiaries, we will continue to work on our partnerships to create a more compassionate community. We hope to not only strengthen current partnerships but also form new ones, as we aspire to transform the end-of-life experience beyond basic palliative care services.

Environment, Social & Governance

Ambulance Wish Singapore will look into its Environment, Social & Governance (ESG) practices, starting with the development of an ESG Manual in 2026. This manual will serve as a foundational framework to guide us in reducing our environmental footprint, enhancing social impact, and strengthening governance transparency. By embedding ESG principles into our core operations, Ambulance Wish Singapore aims to ensure sustainable growth while continuing to deliver compassionate end-of-life care to our beneficiaries.

Impact Measurement

Ambulance Wish Singapore will also develop an Impact Measurement framework to better evaluate and communicate the outcomes of our services. This framework will enable us to track our operational outputs, as well as the psychosocial impact of our work. We aim to ground our work in evidence-based impact assessment to improve care quality and demonstrate accountability to our stakeholders.

Fundraising Initiatives

Our budgeted income and expenditure, as well as proposed fundraising activities in 2026 are as follows:

Q1 (January – March 2026)

Projected Income: \$171,000

Projected Expenditure: \$275,000

Proposed Fundraising Activities:

- CNY Cookie Sale
- Festive Season Online Fundraiser

Q2 (April – June 2026)

Projected Income: \$595,000

Projected Expenditure: \$300,000

Proposed Fundraising Activities:

- Cake Picnic
- Sale of Merchandise

Q3 (July – September 2026)

Projected Income: \$284,000

Projected Expenditure: \$270,000

Proposed Fundraising Activities:

- Charity Golf

Q4 (October – December 2026)

Projected Income: \$328,000

Projected Expenditure: \$342,000

Proposed Fundraising Activities:

- Wish Upon a Christmas

GOVERNANCE REPORT

Statement of Corporate Governance

The Board of Directors (the “Board”) and the management of Ambulance Wish Singapore (the “charity”) firmly believe that a genuine commitment to uphold high standards of corporate governance is key to the sustainability of the charity.

The Board and charity are committed to continually improve our governance and management practices to remain accountable and transparent to our stakeholders as a responsible Institution of Public Character.

The charity strives to adhere fully to the principles and guidelines of the Code of Governance for Charities and Institutions of a Public Character (IPCs), the Charities Act, relevant regulations and other frameworks (Charity Transparency Framework) as governed by the Charity Council.

The charity has a Constitution as its governing instrument.

The charity has updated the Governance Evaluation Checklist in the Charity Portal for the financial year ended 31 December 2025.

Role of Governing Board

The Board at Ambulance Wish Singapore is responsible for overseeing its operations.

The Board provides mission-driven leadership and strategic governance to guide the direction of the charity.

The Board's responsibilities shall include, but not limited to, the following:

1. Direct and support the objects, various functions, and public image of the charity;
2. Establish procedures for governance;
3. Establish and review policies;
4. Define, implement and review a long-term strategic plan for the charity;
5. Support the charity's fund-raising efforts by making monetary contributions and/or providing relevant contacts that can contribute to the success of such efforts;
6. The hiring, overall management, evaluation of key employees; and
7. The rejuvenation and growth of the Board, which shall be accomplishing, identifying and cultivating future Board leadership.

Board Selection and Recruitment

The Board shall consist of qualified individuals with different backgrounds and specialisations, collectively bringing considerable knowledge, judgment, and experience to the Board. For robust governance, the Board strives to ensure that the range and diversity of expertise and viewpoints among the Directors adequately address the charity's needs.

To build a steady pipeline of Board talent, the Board and Management shall actively engage potential candidates with specific skillsets that could add value serving as Directors. Directors must be independent, hold high ethics standards and be willingly committed to Ambulance Wish Singapore's mission and vision without any remuneration and benefits.

The nomination process for the Board is under the purview of and managed by the Nomination & HR Committee.

Board Appointment and Term Limit

Each Director shall hold his or her office for a term of up to two (2) years and must submit themselves for re-nomination and re-appointment, at least once every term. A Director shall not hold office for an aggregate period of more than 10 years. In particular, the maximum term limit for the Treasurer shall be four (4) consecutive years and re-appointment to the position of Treasurer may be considered after at least a two (2)-year break.

In 2025, none of the Directors served on the Board for more than 10 years since Ambulance Wish Singapore was registered as a Company Limited by Guarantee in 2019.

Board Induction and Training

All new Director(s) shall be properly inducted by the Chairman or Executive Director. They shall be invited to participate in wish granting and other organisational activities to get insight into the work of Ambulance Wish Singapore beyond Board meetings.

The Director(s) should possess the core competencies necessary for effective governance; and keep abreast of useful developments to perform their roles well. They are encouraged to attend external programmes to keep abreast of developments in the charity and business environment.

Board Evaluation

The Board shall conduct a self-evaluation periodically to assess its effectiveness, governance culture, committee performance, compliance posture and strategic oversight.

A Board self-evaluation exercise was conducted in January 2025. An external consultant was engaged to evaluate the results of the self-evaluation and some of the identified areas to work on include Board succession planning and risk management. The Board is putting in place processes for these two areas

Disclosure of Remuneration and Benefits

The Board do not receive remuneration and benefits for their services.

The top executive, i.e. one Management staff, received an annual remuneration exceeding \$100,000. The remuneration band for the said staff falls between \$100,000 - \$200,000.

No paid staff who are close members of the family of the Board members or Executive Director were hired during the financial year 2025.

Board Meetings

A total of one (1) Annual General Meeting, two (2) Extraordinary General Meetings and four (4) Board meetings were held during the year. Board attendance at the meetings are as follows:

Fundraising Committee Aloysius Wee (Chair) Brian Yim Diana Chong Dimple Sanghi	The Fundraising Committee assists the Board in fulfilling its responsibilities relating to raising funds, as well as sponsorship strategy and plans. This is to provide Ambulance Wish Singapore with relevant insights and fulfill the governance requirements based on "Good Fund-raising Practices". It is also to provide counsel regarding stewardship policies and procedures that ensure the continuous growth of the charity's donor base. The Committee appointed three new member in 2025 and had two meetings to discuss the fundraising strategies and events.

Board Committees

Sub-Committee	Description
Nomination & HR Committee Aloysius Wee (Chair) Annie Lim	The Nomination & HR Committee ensures that Ambulance Wish Singapore has the right Board, Committee members and Executive Director to carry out its work efficiently and effectively. It also has oversight of the charity's human resource strategy, policies and procedures. The Committee had two meetings in 2025 to interview a potential Board member and discuss insurance policies for staff.
Programme & Volunteer Committee Dr Joseph Ong (Chair) Carol Wee Chan Kong Hoe	The Programme & Volunteer Committee assists the Board in fulfilling its responsibilities relating to oversight of Ambulance Wish Singapore's programme and services, and volunteer management. This is to ensure that Management establish strategic directions and procedures for programmes and services offered by the charity, including wish granting policies and evaluation of wish requests as well as ensuring that the charity has the right volunteers. The Committee had two meetings in 2025 to discuss engagement activities as well as review plans for 2026.

Management and Avoidance of Conflict of Interest

Ambulance Wish Singapore has a documented policy in place to manage and prevent conflicts of interest among Board members, staff and volunteers. Each Board member is obligated to disclose any conflicts of interest annually at the beginning of their term or as soon as such conflict or possibility of such conflict arises.

Upon employment and on an annual basis, all employees are required to disclose any conflicts of interest. Furthermore, staff members are not involved in determining their own compensation.

In order to ensure transparency, any conflicts of interest related to contracts with vendors, affiliations with other organisations, joint ventures, recruitment, and remuneration of staff with close relationships must be fully disclosed. Individuals with conflicts of interest are excluded from participating in discussions and approvals regarding such transactions.

Strategic Planning and Management

The Board reviews and approves the vision and mission of Ambulance Wish Singapore. Strategic planning sessions are conducted annually with the Board to ensure that the programmes and activities are in line with the charity's objectives. As part of the charity's capacity and capability plans, the Board reviews and approves the annual Workplans and Budget and monitors the progress of the plan.

Reserves Management

Ambulance Wish Singapore relies on its reserves to ensure financial stability and support the growth of its activities. The charity aims to maintain its reserves at a level which is at least equivalent to 2 years' worth of operating expenditure. Where applicable, the reserves are to be invested in fixed deposits or money market funds. The Board conducts annual reviews on the amount of reserves that are required to ensure that they are adequate.

Loans

Ambulance Wish Singapore does not render any loans, donations, grants or financial assistance to any parties which are not part of our core charitable programmes.

Anti-Money Laundering and Countering the Financing of Terrorism

Ambulance Wish Singapore operates solely in Singapore and does not transfer funds for overseas programmes and beneficiaries. Ambulance Wish Singapore ensures strong governance and financial controls are in place to combat anti-money laundering and terrorist financing activities.

Data Privacy Management

Ambulance Wish Singapore respects the privacy and confidentiality of individuals' personal data. The charity is committed to ensure that any personal data will be dealt in accordance with the Personal Data Protection Act 2012 ("PDPA"), Singapore.

Ambulance Wish Singapore obtains consent for the collection, use, disclosure and processing of personal data and consent given may be withdrawn by notification to the Data Protection Officer. Data is used only for purposes disclosed unless otherwise permitted under the law. Reasonable security arrangements are also in place to prevent unauthorised access, collection, use, disclosure, copying, modification or disposal of the personal data.

Whistleblowing

Ambulance Wish Singapore is dedicated to upholding robust corporate governance practices and fostering a culture of openness and transparency. All instances of whistleblowing will be independently reviewed and investigated, led by the Chair of the Audit & Risk Committee. Whistleblowers should report their concerns in good faith to: whistle.blow@ambulancewishsingapore.com.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Ambulance Wish (Singapore) Ltd.
For the Financial Year Ended 31 December 2025**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Ambulance Wish (Singapore) Ltd. (the "Company"), which comprise the balance sheet of the Company as at 31 December 2025, the statement of financial activities and statement of cash flows of the Company for the financial year ended 31 December 2025, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Companies Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations"), and Singapore Charities Accounting Standard ("CAS") so as to present fairly, in all material respects, the state of affairs of the Company as at 31 December 2025 and the results and cash flows of the Company for the financial year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Directors' Statement.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**To the Members of
Ambulance Wish (Singapore) Ltd.
For the Financial Year Ended 31 December 2025**

Report on the Audit of the Financial Statements (Cont'd)

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Companies Act, the Charities Act and Regulations and CAS, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Report on the Audit of the Financial Statements (Cont'd)

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also: (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the Company have been properly kept in accordance with the provisions of the Companies Act, and the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:

- (a) the Company has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the Company has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

NOTES TO THE FINANCIAL STATEMENTS For the Financial Year Ended 31 December 2025

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. GENERAL INFORMATION

Ambulance Wish (Singapore) Ltd. (the “Company”) is incorporated and domiciled in the Republic of Singapore, limited by guarantee and not having any share capital.

The Company is registered as a charity under the Charities Act 1994 and is an approved Institution of Public Character (“IPC”) from 17 October 2024 to 31 October 2026.

The Company’s registered office and principal place of business of the Company is located at 209 New Upper Changi Road, #03-631, Singapore 460209.

The principal activities of the Company are those of charitable and other supporting activities aimed at humanitarian work, which includes but not limited to the following activities:

- to give each patient with life-limiting illness the attention that he/she desires by realising such patient’s last wish before dying;
- to add quality to the patient’s final period of life; and
- to bring communities together to care for the dying.

The financial statements for the financial year ended 31 December 2025 were approved and authorised for issue by the Board of Directors on the date of directors’ statement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements, expressed in Singapore Dollar (“\$”), which is the functional currency of the Company have been prepared in accordance with the provisions of the Companies Act 1967 (the “Companies Act”), the Charities Act 1994 and other relevant regulations (the “Charities Act and Regulations”), and Singapore Charities Accounting Standard (“CAS”). The financial statements have been prepared under the historical cost convention except as disclosed in the accounting policies below.

The preparation of financial statements in conformity with CAS requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the financial year. Although these estimates are based on management’s best knowledge of current events and actions and historical experiences and various other factors that are believed to be reasonable under the circumstances, actual results may ultimately differ from those estimates.

Use of estimates and judgements

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Ambulance Wish (Singapore) Ltd.

**NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 December 2025**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.1 Basis of preparation (cont'd)

There were no significant judgements made in applying accounting policies and no estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period.

2.2 Income recognition

Income is recognised in the statement of financial activities to the extent that the Company becomes entitled to the income, when it is probable that the income will be received; and when the amount of the income can be measured with sufficient reliability.

Voluntary income

Donations and fund raising income

Donations and fund raising income and donation in kind are recognised on receipt. However, donations received that are subject to donor-imposed pre-conditions are deferred as liabilities until the Company is able to meet the terms of the donations.

Investment income

Interest income

Interest income is recognised on accrual basis using the effective interest rate method.

Other income

Government grants and subsidies

Government grants and subsidies are recognised upon receipt. However, grants received that are subject to donor-imposed pre-conditions are deferred as liabilities until the Company is able to meet the terms of the grants.

Other income

Other income is recognised upon receipt.

Donations-in-kind

Donations-in-kind that are received by the Company for distribution or internal use are recognised as voluntary income at the estimated amount that the Company would have to pay in the open market for an equivalent item at the date of receipt of the donation.

Where such value cannot be estimated with sufficient reliability, this fact is disclosed in the notes to accounts.

Income from donations-in-kind is recognised in the financial period in which the ownership of the donated assets passes to the Company.

Ambulance Wish (Singapore) Ltd.

**NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 December 2025**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.3 Recognition of expenditures

Expenditures are recognised in the statement of financial activities once the goods or services have been received unless the expenditure qualifies for capitalisation as assets such as inventory and plant and equipment. Expenditure on performance-related grants is recognised to the extent the specified service or goods have been provided. Expenditures in the statement of financial activities are classified under the cost of generating funds, cost of charitable activities and governance costs.

Charitable activities

Expenditure on charitable activities comprises all costs incurred in undertaking work to meet the charitable objects of the Company. Such costs include the direct costs of the charitable activities of the Company together with those support costs incurred that enable these activities to be undertaken.

All resources applied in undertaking activities to meet the Company's charitable objectives are classified under cost of charitable activities.

Governance costs

Governance costs include the costs of governance arrangement, which relate to the general running of the Company as opposed to the direct management functions inherent in generating funds, service delivery and programme or project work. Governance costs will normally include both direct costs such as internal and external audit, legal advice for the Company and costs associated with constitutional and statutory requirements, and related support costs which where material, would comprise apportionment of shared and indirect costs involved in supporting the governance activities.

Allocation of costs

Where appropriate, expenditures that are specifically identifiable to each cost classification are allocated directly to the type of costs incurred. Where apportionment between each costs classification is necessary, the following apportionment bases are applied:

- Usage;
- Head count i.e. on the number of people employed within an activity;
- Floor area occupied by an activity;
- On time basis; and
- Expenditure total.

2.4 Employee benefits

Defined contribution plan

The Company makes contributions to the Central Provident Fund in Singapore. Contributions to the defined contribution plan are recognised as an expense in the period in which the related service is performed.

Ambulance Wish (Singapore) Ltd.

**NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 December 2025**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.4 Employee benefits (cont'd)

Short-term benefits

All short-term benefits including accumulating compensated absences are recognised in the statement of financial activities in the period in which the employees rendered their services to the Company.

2.5 Plant and equipment

Plant and equipment are carried at cost less accumulated depreciation. Depreciation is charged on the straight-line method to write off the assets over their estimated useful lives as follows:

	<u>Estimated useful lives</u>
Office equipment	5 years

The residual values, estimated useful lives and depreciation method of plant and equipment are reviewed, and adjusted as appropriate, at each balance sheet date. The effects of any revision are recognised in the statement of financial activities when the changes arise.

The gain or loss arising on disposal or retirement of an item of plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of financial activities.

Fully depreciated assets are retained in the financial statements until they are no longer in use.

2.6 Other receivables

Other receivables, excluding prepayments, are measured at initial recognition at transaction price, excluding transaction costs, if any. Transaction costs shall be recognised as expenditure in the statement of financial activities. Prepayments shall be initially recognised at the amount paid in advance for the economic resources expected to be received in the future.

After initial recognition, receivables, excluding prepayments, shall be measured at cost less any accumulated impairment losses. Prepayments shall be measured at the amount paid less the economic resources received or consumed during the financial period.

At each balance sheet date, where there is objective evidence that a receivable is impaired, the carrying amount of the asset is reduced through the use of an allowance account, and the amount of the loss is recognised in the statement of financial activities. The allowance recognised is measured as the difference between the asset's carrying amount and the undiscounted future cash flows that the Company expects to receive from the receivables. When a receivable is uncollectible, it is written off against the allowance account for receivables. Subsequent recoveries of amounts previously written off are credited in the statement of financial activities.

Ambulance Wish (Singapore) Ltd.

**NOTES TO THE FINANCIAL STATEMENTS
For the Financial Year Ended 31 December 2025**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

2.7 Other payables

Other payables are initially measured at transaction price, excluding transaction costs, if any, both at initial recognition and at subsequent measurement. Transactions costs shall be recognised as expenditure in the statement of financial activities as incurred. Accruals shall be recognised at the best estimate of the amount payable.

2.8 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents comprise cash at bank and fixed deposits with financial institutions which are subject to insignificant risk of change in value.

2.9 Unrestricted fund

Unrestricted income fund

These represent funds received by the Company that are expendable for any activity within the Company at the discretion of the Management in furtherance of the Company's charitable objectives.
